Dear: Mark Smith

On behalf of the Board of Directors, Advisory Committee, and staff of the **United Way of Grundy County**, thank you for your donation of the **Hand-Crafted Taylor Guitar** Valued at **\$500** for our 2015 Annual Campaign Celebration event.

The Annual Campaign Celebration event, which took place on September 9, 2015, raised over \$15,000 which will support vital programs and services provided by our 32 local not-for-profit Community Partner Agencies.

United Way of Grundy County supports programs that provide basic human needs, education, Health, crisis intervention, transportation, youth, seniors, and disaster relief. **We could not do this without the generosity of our donors and support of the community.** When you contribute to United Way, you help more than one person or more than one not-for-profit agency.

Thanks to your generosity, the United Way of Grundy County continues to help make our community a vibrant, healthy place to live and work.

Again, thank you for your support of our United Way, which impacts the lives of others in Grundy County.

Sincerely,

Karen Nall
Executive Director
